REGISTE RED TRAINING ORGANIZATION NUMBER 11 91 06522 91 36 RUE VICTOR BASCH –91300 MASSY WWW.MESI I-CONSULTING.COM

Version of september 25th, 2024

INFOS PRATIQUES

Goals

Master the software's "administrator" functions, to manage user access to the Primavera solution.

At the end of this training course, each participant will be able to administer a Primavera database and configure access.

This course is aimed at project managers and anyone else involved in a company project.

Project management fundamentals.

Assessment methods.

- Assessment of skills acquired through role-playing exercises.
- Self-evaluation and end-ofcourse certificate.

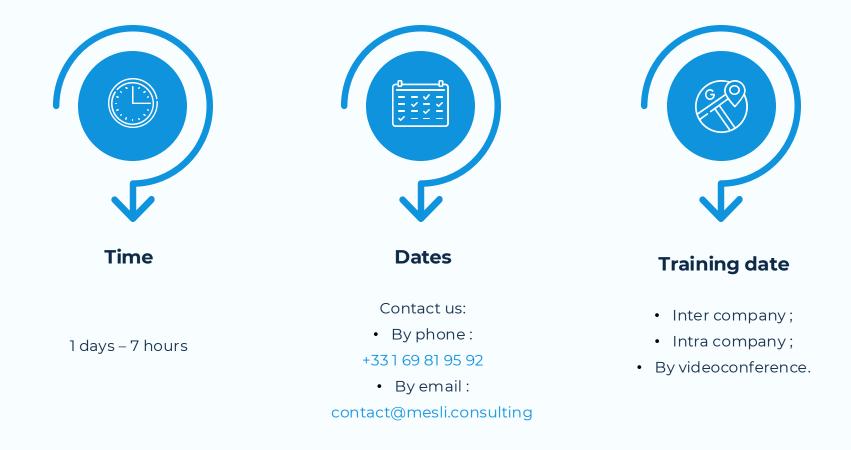

Used methods Teaching aids

Each trainee will be given a PC with the Primavera P6 application. All participants will receive training materials at the end of the course. This training includes a theoretical part as well as a case study. The training will include discussions and roleplaying.

Our training courses are delivered by international experts recognized for their skills and expertise in contract management and customer and supplier claims management.
